

JOB DESCRIPTION

Job Title:	Finance and Operations Manager
Location:	Kampala
Reporting to:	Country Manager
Management responsibility (if applicable):	<ul style="list-style-type: none"> • Kampala Finance Officer • Dotted line management of Finance and Administration Officers (regionally based) x 2 • Human Resource and Administration Officer • Operations and Logistics Officer
Type of position:	National position
Grade and Salary:	A competitive INGO salary will be offered
Contract terms and hours:	Open contract subject to continuation of funding. Standard working week 37.5 hours
Background:	
<p>Saferworld, established in 1989, is an international organisation dedicated to conflict prevention and peacebuilding thinking and practice. We work with partners across Asia, Africa, the Middle East and Europe to tackle the diverse factors that drive violent conflict, injustice and insecurity. We participate in the major global policy debates on peace, justice and security. The name Saferworld embodies our mission and the contributions we make to achieving safer, more inclusive and peaceful societies. We envision a just and peaceful world, in which everyone enjoys the rights and freedom to live and thrive with dignity, free from fear and insecurity. We aim to achieve our vision by working in solidarity with communities, civil society and partners to prevent and transform violent conflict, advocate for peace and social justice, and build safer lives.</p> <p>Saferworld is committed to providing a safe and trusted environment that safeguards our staff, partners and communities. Our organisational integrity is derived from the values and principles that underpin and guide our work.</p>	
Description of Saferworld and Uganda programme:	
<p>Saferworld has been working in Uganda since 2001. At present, we are implementing a programme that seeks to contribute to more peaceful, secure, inclusive and just communities in Uganda. Country programme priorities include, delivering conflict sensitivity support to institutions and stakeholders working on issues related to land and minerals, including working to improve conflict resolution and community safety in Karamoja, northern Uganda, West Nile and western Uganda that are experiencing land conflict and insecurity.</p>	
Job purpose:	
<p>Reporting to the Country Manager, the Finance and Operations Manager will take lead in all financial and operational matters; supporting all internal financial and procurement processes, and managing finance and operational staff. The Finance and Operations Manager, as member of Saferworld Uganda Senior Management Team (SMT), will contribute to the development and operationalisation of Saferworld's strategy in Uganda and will represent Saferworld as necessary in interactions with relevant authorities and stakeholders.</p> <p>The Finance and Operations Manager will be responsible for:</p> <ul style="list-style-type: none"> • The effective management of finance, operations and admin staff. • The efficient and transparent management of finances and financial procedures and procurement. • Developing capacity support and collaborative relationships with Saferworld staff and partners to ensure effective financial and operational management across the board. 	

- The efficient, transparent and safe management of operations for Saferworld Uganda.

Roles and responsibilities.

1. The effective management of the Finance, Operations and Administration teams in Saferworld's Uganda office (20%).

- Allocate and manage key roles and responsibilities within Saferworld Uganda's Finance, Operations and Administration to staff.
- Build capacity of and line manage relevant staff in Kampala, Karamoja and Northern Uganda; Finance and Administration Officers, Operations and Logistics officer, and HR and Admin Officer.
- Undertake performance review and management of relevant staff.

2. The efficient and transparent management of finances (40%).

- Lead the development and maintenance of robust financial controls (bank reconciliations, separation of roles and responsibilities, other financial controls, performance management data, and so forth).
- Oversee staff to ensure accurate data entry into ledger accounting system, lead improvement and system enhancement work, ensuring good housekeeping.
- Develop the country annual budget and make appropriate revisions as per instructions from the Finance Director.
- Support the development of budgets for donor proposals and ensure staff and office costs are appropriately covered in donor proposals.
- Lead in effective monitoring of country and project budgets.
- Lead reporting to Saferworld colleagues, donors and London head office. Focus on continuous improvement and ensure that reports are user friendly.
- Effectively organise and manage internal and external audits.
- Produce statutory (legal) accounts and other legal returns as required by the laws of Uganda.
- Monitor partners' financial management as far as it relates to Saferworld-funded projects, ensuring compliance with Saferworld and donor rules and regulations, building knowledge and understanding, promoting improvements to financial management and reporting.

3. Develop capacity support and collaborative relationships with Saferworld staff and partners to ensure effective financial and operational management across the board (10%).

- Build financial and operational capacity of Saferworld staff and partners.
- Develop strong relationships with all Saferworld colleagues and partners to enhance their understanding of finance and build their knowledge on day-to-day financial reporting and accounting.
- Develop strong relationships with, and provide training and ongoing support to partner organisations so that they effectively and transparently manage their funds.

4. The efficient, transparent and safe management of operations (30%).

- To lead, develop, implement and monitor policies and procedures relating to Saferworld's operations in Uganda in line with global policies and good practice.
- Ensure compliance with Saferworld and national and global policies, and efficient use of resources.
- Ensure operations systems and processes are monitored and planned for in advance, overseeing office legal compliance requirements (for example, health and safety, SDN lists, assets register and others).
- Oversee Saferworld's Uganda insurances, ensuring relevant and cost-effective covers are in place, overseeing claims when relevant and ensuring learning is incorporated into new policies and procurement.
- Keep Saferworld Uganda Security Plan up to date, in collaboration with Global Security Adviser.
- Ensure safety of staff and stakeholders while undertaking their work for Saferworld through appropriate risk assessments, organisation of security and safeguarding training.
- Oversee the administration of Uganda offices – including IT procurement and development, maintenance and security.
- Monitor performance indicators and produce regular reports.

5. Any other duty may be assigned to the post holder as required by the Line Manager.
